Sherry has completed her second term as Properties Chair for the Ceyana Canoe Club. She has been diligent at this chore, and in her terms has had to handle a move of our storage from a city centre location out to two acreages well beyond the city limits. In addition to her executive duties Sherry has taken a lead on our annual New Canadian Paddle for recent immigrants and is a frequent volunteer at our Tuesday evening drop-in paddling sessions at the Rundle Park Paddling Centre.

Paddle Alberta Long Service Award

Lois is a charter member of the Ceyana Canoe Club and over the 43 years of the club's existence she has served numerous executive roles as President, Vice President, and Social Chair. In addition, she has co-lead a series of trips for club members every year. For the 2008 David Thompson Brigade she took on a significant role planning, preparing and delivering the community engagement presentations... in particular leading the voyageur dance and song sessions. This activity she has continued at club events and more recent brigades in 2014, and 2017.
