

Course Change, Cancellation and Refund Policy

Course changes, cancellations and refunds incur two costs to the club, financial from our website and facility providers, and one for our volunteers time. Thus this Course Change, Cancellation and Refund Policy (RCCP).

1 – ALL programs involving fees will post a Refund, Change & Cancellation Deadline (RCCP). This deadline will vary between programs, often due to the cancellation timeframe provided by facility operators (campgrounds, pools, et.), leadership timeframes, etc.

2 – Any Change or Cancellation BEFORE the RCCP will incur a \$20 penalty. Changes will be invoiced, and the penalty will be deducted from the registration fee.

3 – There will be NO Refund for any cancellation AFTER the RCCP.

4 – When the club initiates a course cancellation registrants will receive a full refund.
